

Join us for the Inaugural BC Girls Baseball League!

June 22nd - August 10th, 2024

Opening remarks

Baseball BC is thrilled to announce the 2024 BC Girls Baseball League, and we are delighted that your association is interested in joining us on this journey!

Our goal is straightforward: to provide a safe and supportive space that encourages growth and love for the game among young female athletes. In launching this league, we're not just looking to increase participation numbers; we aim to challenge norms, foster a sense of belonging, and ultimately, contribute to the broader mission of expanding the game's reach. At the heart of this endeavor lies a vision to create a safe and inclusive space where girls can not only embrace the sport of baseball, but thrive within it. Baseball BC is committed to this vision - through this league, we hope to see more girls confidently stepping onto the field, developing their skills, and finding joy in the competition and camaraderie that baseball offers.

The following package provides details regarding the inaugural league. For any further inquiries, please reach out to Liz Gilder at liz@baseball.bc.ca or Scott MacKenzie at scottm@baseball.bc.ca.

Thank you for your interest in being a part of this exciting beginning. Here's to a successful season and the bright future of girls in baseball!

Warm Regards,

Liz Gilder
League Coordinator

"As a young girl it was important for me to be in a space of girls empowering girls. Playing with other females as a kid taught me the importance of celebrating **ALL** women's successes, not just personal"

*- Allison Schroder,
Team Canada Member, VIU Baseball Player, and Forest Firefighter*

What to expect from the league

Frequently Asked Questions

Do I need an all-girls team to join?

No - existing teams AND individuals are encouraged to register. Individual registrants are welcome and will be placed on a team.

Do I need an existing girl's league to send a team?

No - associations may form teams on their own - in fact, this is encouraged!

I'm playing on another team during the summer - can I still join?

Yes - players from all associations are welcome to participate - the league is supported by all associations.

"When I think back to my youth baseball experience, I have such fond memories of playing on all-girls teams. While I played on mixed gender teams during the regular season, I always looked forward to my time with the Baseball BC provincial team program. Being in a space where I felt more comfortable with my peers was exactly what I needed each summer! I played more confidently in key positions, felt like I was a part of a community, and made lifelong friends (many of whom I'm still close with)."

- Stacy Fournier,
Team Canada Member and SFU Softball Head Coach

Opening Ceremonies
June 22nd

Game Play
Saturdays, June 22nd - Aug. 10th

Closing Ceremonies
August 10th

Home Plate
Lionel Courchene Park

All about Rally Cap baseball (7-9 age group)

WHAT IS RALLY CAP?

This year, our 7-9 age group will play Rally Cap baseball. Rally Cap is designed for T-Ball and Blastball participants, their coaches, and parents. Three teams convene to share a playing time, with two teams playing a game while the third practices. Teams rotate after each inning. The program offers complete lesson plans and initiation drills that are a bonus for coaches and parents new to the game. The program includes a progressive element with up to three skill-testing opportunities for players each season.

WHY RALLY CAP?

Since 2005, participating associations have reported increases in registration. The program combines playing and drills to keep young participants interested, active, and learning, and coming back to the game season after season. Visit Baseball Canada for more details about the program and the skill levels rallycap.ca.
