Emergency Action Plan High Performance Jamboree September 25-26, 2021

(3.0) Implementation

The plan should be implemented when any serious injury or medical event occurs, including but not limited to, when a participant:

- Is not breathing
- Does not have a pulse
- Is bleeding profusely
- Has impaired consciousness
- Has visible major trauma
- Cannot move their arms or legs or has lost feeling to them

(6.0) Roles & Responsibilities

Three individuals, each with a different responsibility, will work together to implement the EAP in an emergency.

(6.1) Charge Person

The role of the charge person is to:

- Immediately enter the field of play and approach the injured participant
- Take control of the situation and secure the area
- Instruct the injured participant to lay still, and inform others to not move the individual
- Assess the injury status of the individual and communicate to the call person if an ambulance is required
- Provide first aid as required
- Determine if other individuals with first aid or other medical expertise may assist
- Stay with the participant until EMS arrive
- Advise the executive director of the event and actions taken

(6.2) Call Person

The role of the call person is to:

- Call for emergency help
- Provide all necessary information to dispatch
- Update dispatch on the participant's condition and the medical assistance being performed
- Ensure the athlete's parents/guardians are contacted and if they are not reached the athlete's emergency contact.

(6.3) Control Person

The role of the control person is to:

- Ensures teammates, other participants, and spectators are not in the way of the charge person and ambulance crew
- Wait by the entrance to the park to direct the ambulance when it arrives
- Communicate with officials, umpires, the opposing team, and coaches, as required
- Seek highly trained medical personal to assist, if required by charge person
