Baseball BC – Fall High-Performance Jamboree

July 12, 2021

Baseball BC is pleased to update the membership on high-performance programming planned for September.

Subject to PHO guidelines allowing for tournament play, Baseball BC will host a high-performance jamboree on the weekend of September 25-26

The jamboree will be athlete based. All athletes who register for the event will be placed on teams generated by Baseball BC. The jamboree is not open to individual teams.

The purpose of the event is to begin the process bringing high-performance athletes back together and to complete evaluations of athletes in a scrimmage setting.

Athletes entering grade 9 (GRAD 2025), 10 (GRAD 2024), or 11 (GRAD 2023) in September are welcome to participate. Athletes may register at <https://baseball.bc.ca/highperformance>. The cost to attend is \$50. The registration deadline is September 15, although due to capacity limits, athletes may be waitlisted before that date so early registration is encouraged.

Clubs and associations are encouraged to forward this information to prospective high-performance athletes, of these ages, within their programs.

The event will be hosted at a lower mainland location(s).

No scores or standings will be kept. Games will be 90 minutes with rollover innings after six batters.

Over the coming months, Baseball BC will announce a relaunch of its high-performance programming. One aspect being developed is a formal application process for those interested in hosting or coaching at Baseball BC events. For those interested in hosting this event, please complete our hosting application form. The application deadline is July 23rd. This event will be hosted in the lower mainland.

Baseball BC is also accepting applications to coach at this jamboree. Coaches will be assigned to organizing teams and will complete player evaluations during all scrimmages. A full day commitment on both Saturday and Sunday is required. Renumeration of \$100/day will be provided. Those interested in coaching at this event should contact Kyle Williams (kyle@baseball.bc.ca) to express interest and provide an overview of their coaching experience. The deadline to apply is July 25.
